University of Mary

# New Tuition-Free Respiratory Therapy Scholarships!

**APPLY NOW**

Prospective students and high school seniors are encouraged to apply early through the **University of Mary's Department of Admissions**, as awards are limited.

enroll@umary.edu

## Tuition-Free Pathway with Guaranteed Employment

Under the new scholarship agreement, nine selected students will receive 100% tuition coverage, guaranteed admission into the professional phase of the Respiratory Therapy program upon successful completion of prerequisite requirements, and guaranteed employment opportunities at participating healthcare partners, including CHI St. Alexius Health and Sanford Health upon graduation. Scholarship recipients fulfill their commitment through a three-year employment agreement with one of the participating healthcare organizations following program completion.
